In Memoriam

Mrs. Linda Chickillo

Mrs. Doris Rabkin

A Day to Mourn

Winter 1977 will remain forever a time which thrust upon North Pocono a day of deepest sorrow. A sudden accident which took the lives of Mrs. Doris Rabkin and Mrs. Linda Chichillo is the tragic symbol of North Pocono's deepest loss. Doris, deeply devoted to her students and highly skilled in the achievement of the significant education of those students who needed her and loved her, leaves an everlasting memory. Linda, young, a brilliantly capable teacher, who received education as a never ending quest for the growth and development of the human mind, leaves a rich legacy of service.

We bow our heads in humble acceptance of the Divine Will as we offer our deepest sympathy to the families of our beloved teachers. Brilliant teachers, lovable friends and fine human beings such as Doris and Linda can never be replaced. May they rest in peace and find the glory they deserve for their contribution to mankind. Their lives, though short, will find completion in the lives of the students they taught so well.

Anne M. Walsh

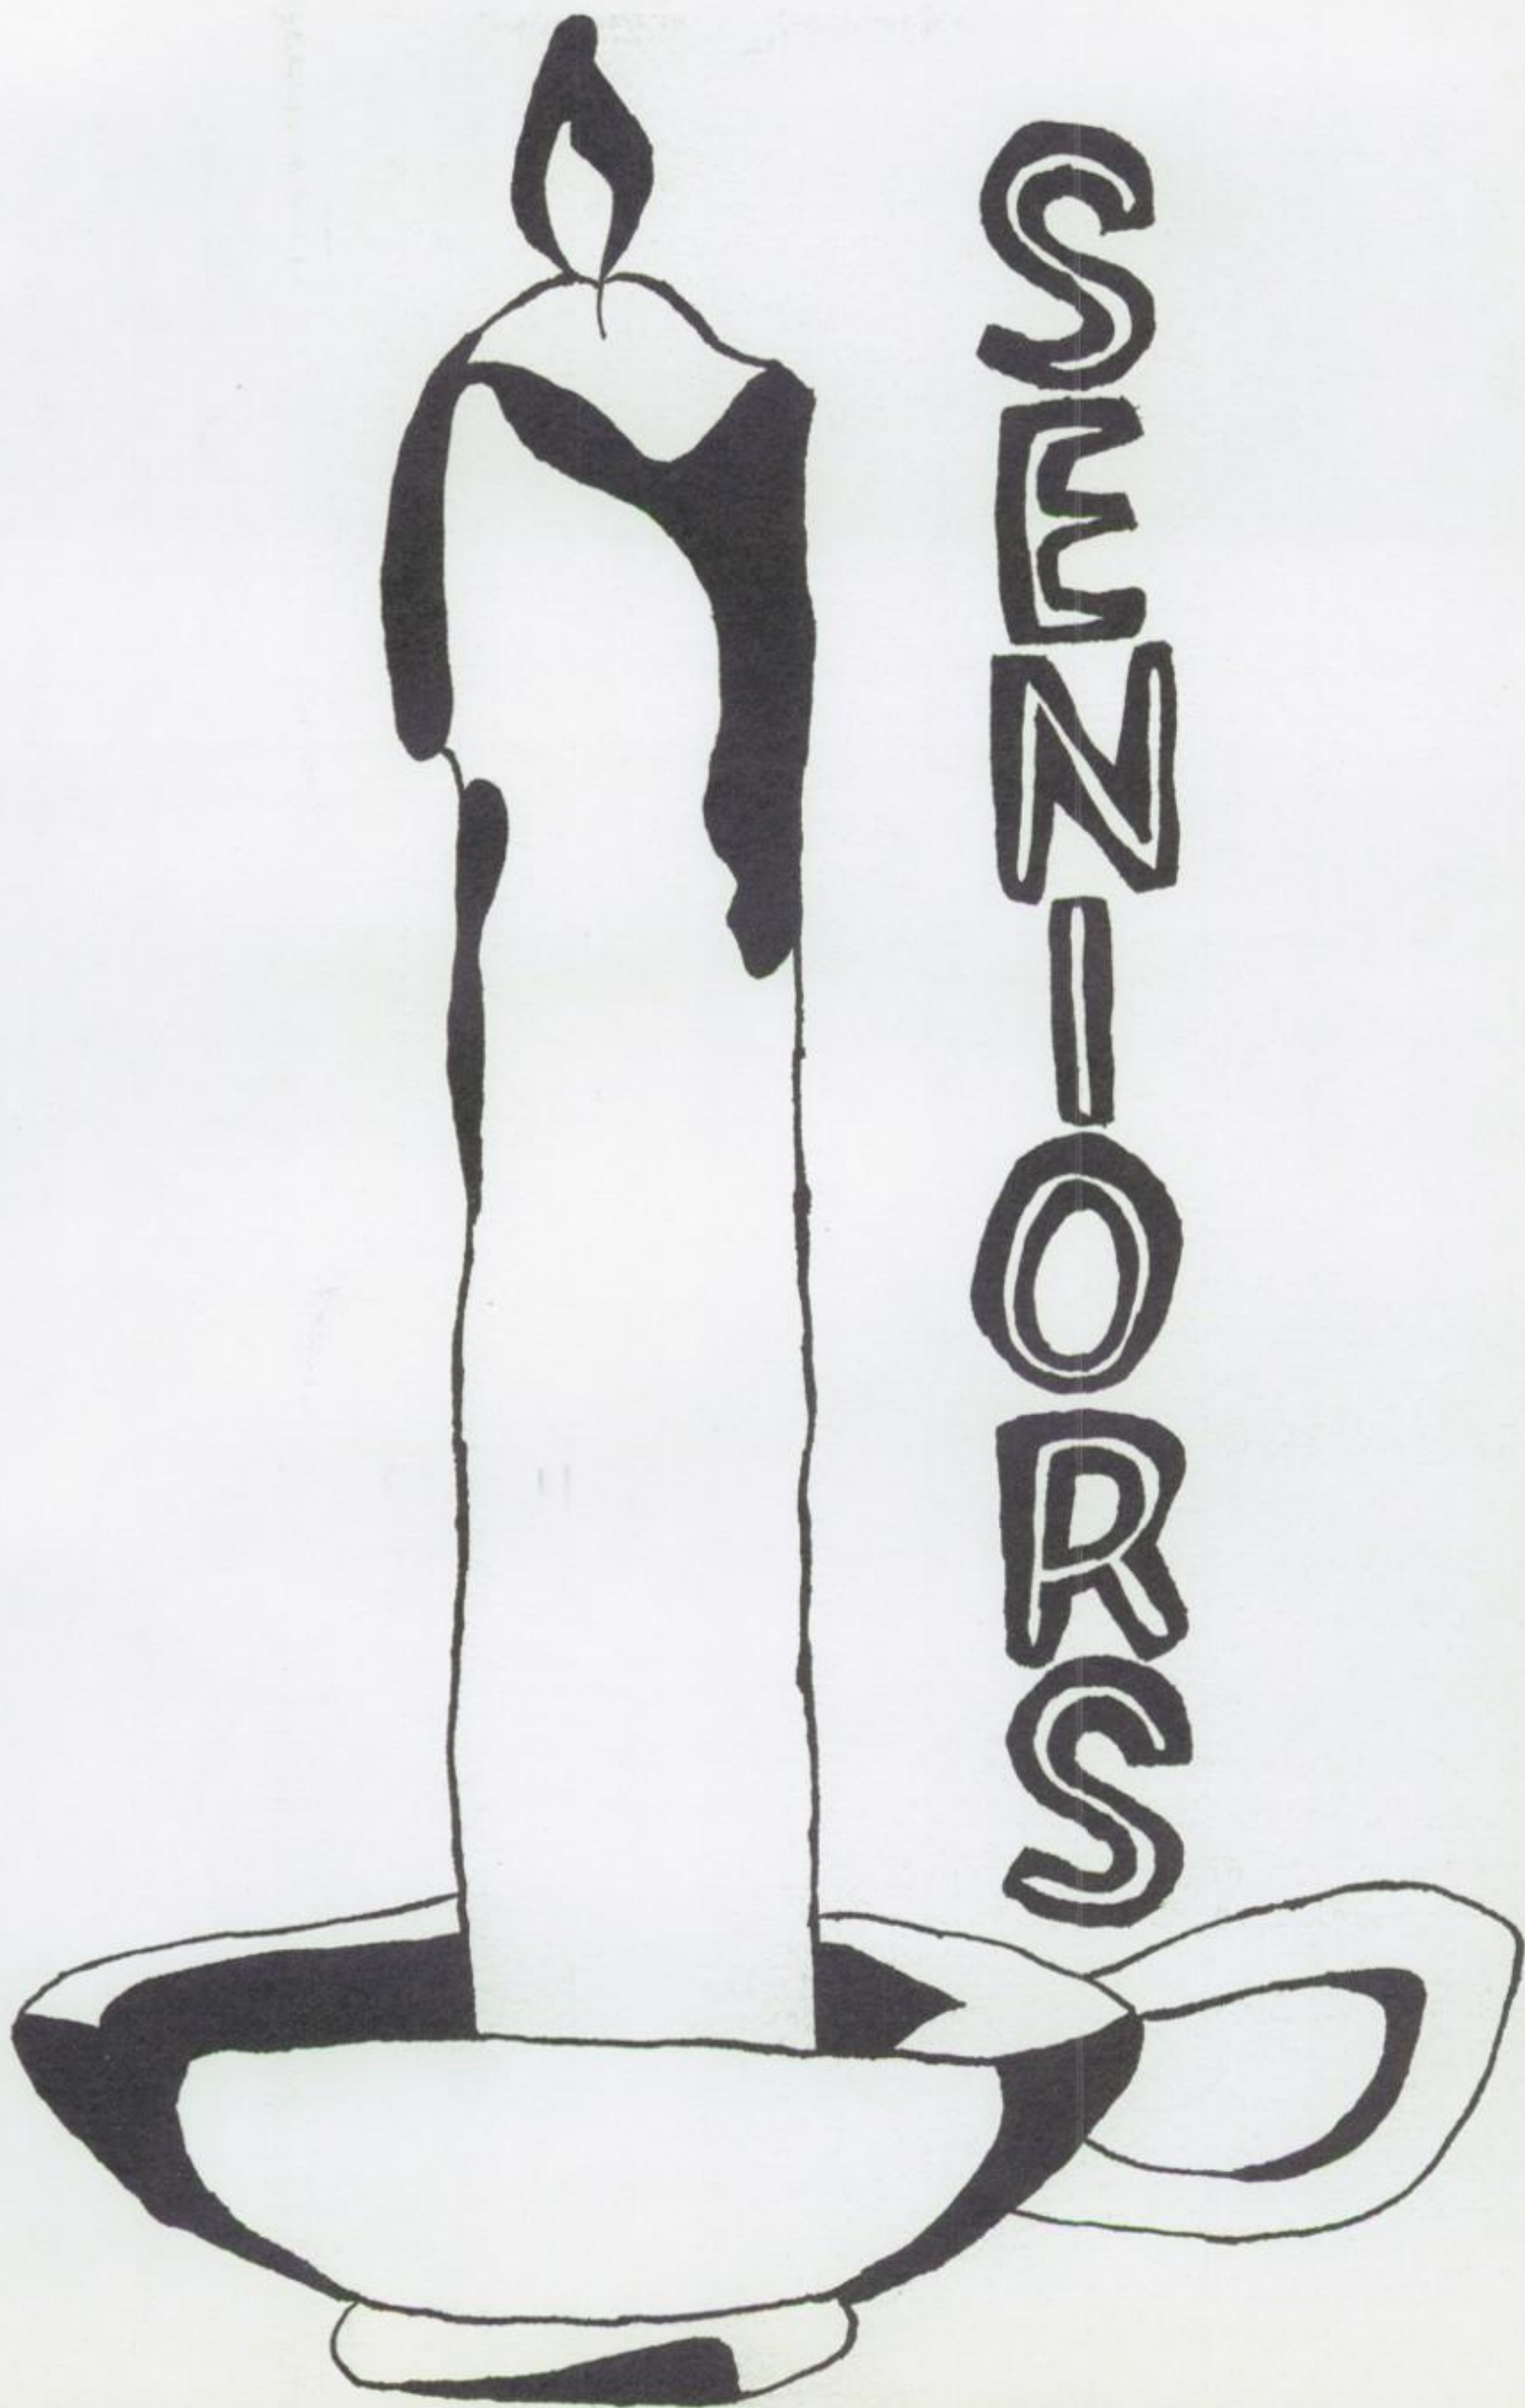

Honorary Dedication

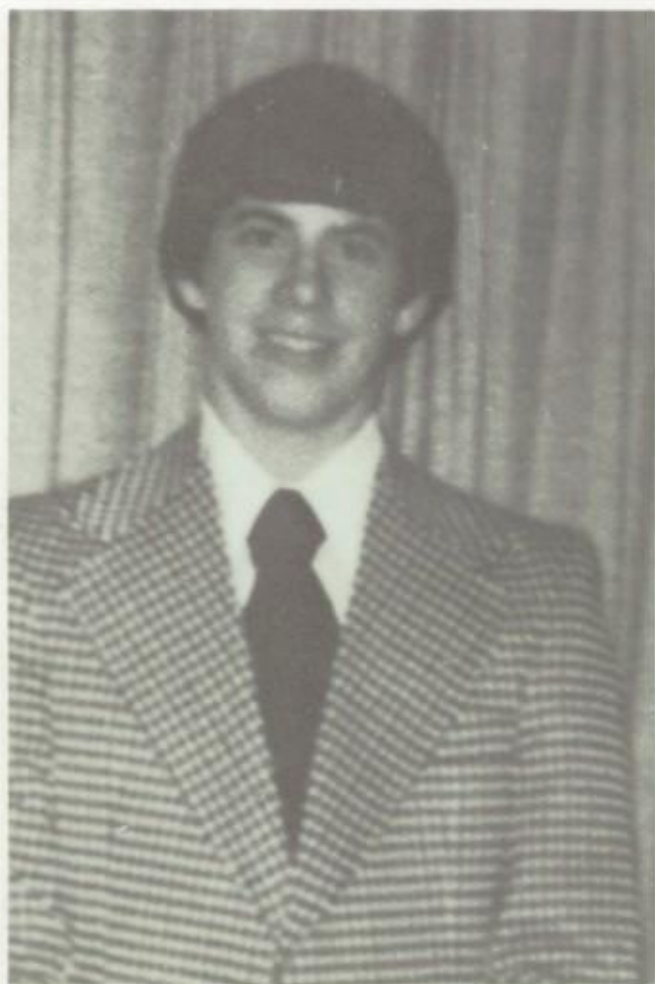

In June 1977, Mrs. Anne Walsh retired after having served the North Pocono School District for twenty years. As Chairperson of the English Department, Mrs. Walsh made many valuable contributions to education as well as having very keen insight and tact in dealing with situations.

Mrs. Anne Walsh, counselor, friend and teacher, will be remembered always by teachers in the district, particularly those in the English Department.

Mrs. Walsh not only taught her students book knowledge but also gave them many deep concepts in life as well as a strong moral background with which to live their lives.

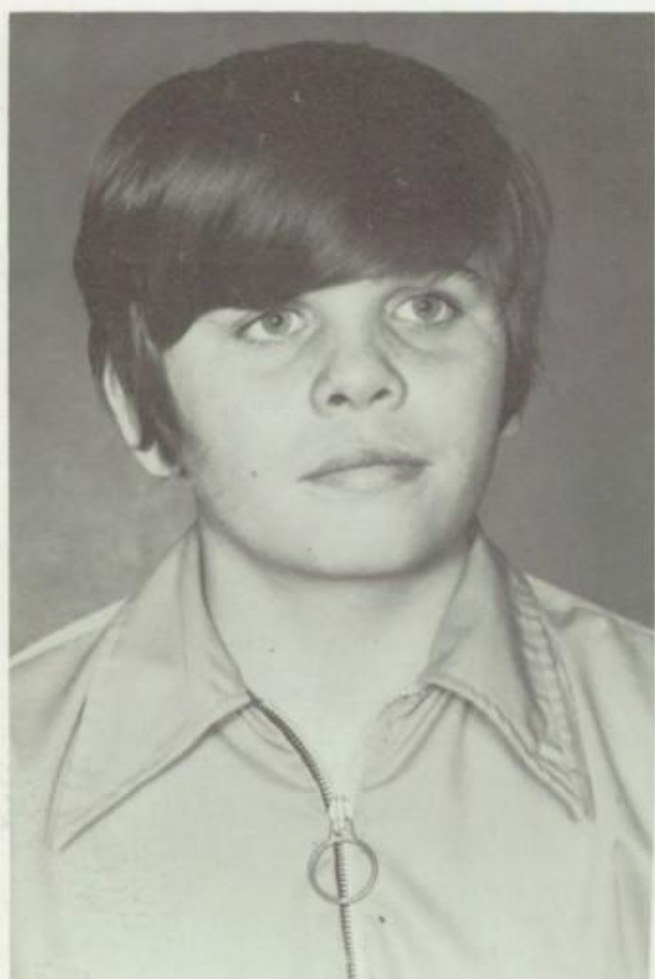

Senior

RUSLON SMITH

Though most of our years in school were filled with the joys of living, there were also sorrowful times we had to endure. These were the losses of four of our classmates of whom we shall all carry fond memories. These departed friends, always helped to brighten the lives
